Kenyatta University
University of Pavia

Master of Economics (Cooperation & Human Development)

Building Competence and Effectiveness in the Development Processes

in partnership with:
Master of Economics (Cooperation & Human Development)

The Program has been developed and is delivered through collaborative efforts between Kenyatta University, School of Economics and the University of Pavia (Italy), together with their partners: Cooperation and Development Network (CDN) Italy, International Committee for Development of Peoples (CISP) Italy, Tangaza University College (TUC) Kenya and UNDP Kenya.

GOALS
MECOHD is a part-time programme, designed to provide professional training to individuals seeking to deepen their competence and effectiveness in the development processes.

STRUCTURE
The programme’s core curriculum integrates substantive knowledge spanning the disciplines of: Economics, Human Development, Project Design and Management. Delivery of the courses integrates presentations, seminars and conferences organized together with the partners. Field Training and Internships form an integral part of the programme. The programme also includes Project/Thesis which is meant to build the capacities of students to undertake research. Lecturers come from different Universities of the network and from different institutions. The Master Course may provide for students with a non economic background Bridging Courses (Quantitative Methods Microeconomics, Macroeconomics) lasting 6 weeks.

CURRICULUM
Students are equipped with knowledge and skills for measurement and analysis of economic phenomena including human development, project design and management, resource mobilisation and cooperation for development in a dynamic world.

The course is structured into four main Semester Units:

First Semester Units (175 taught class hours):
- Advanced Microeconomic Theory I
- Advanced Macroeconomic Theory I
- Development Theories and Strategies
- Advanced Statistics
- International Economics for Development and Cooperation

Second Semester Units (175 taught class hours):
- Advanced Microeconomic Theory II
- Advanced Macroeconomic Theory II
- Economic Research Methodology
- Human Development (HD) I: Conceptual Foundation and use of HD
- Cooperation for Development: Local Development Dimension

Third Semester Units (140 taught class hours):
- Human Development II - HD Policies
- International Cooperation Projects Design
- International Cooperation Projects Implementation and Management

Elective Unit:
- Disaster Preparedness/Management and Humanitarian Action
- Climate Change and Development
- Urban Development in Africa
- Technology for Development

DURATION
The duration of the programme shall be a minimum of 18 months. Classes will be offered in the evening hours (5.30pm-8.30pm) and weekends. Successful students will be awarded a Master of Economics (Cooperation and Human Development) Degree.

ENTRY REQUIREMENTS
A holder of at least an Upper Second Class Honours Bachelor’s Degree in Economics or Economics and Statistics or Economics and Finance, or a relevant Social Science from a recognised University or
A holder of a Lower Second Class degree in the stated disciplines from a recognized university with two (2) years relevant work experience.
or
A holder of at least Lower Second Class Bachelor’s Degree in any other discipline, with relevant work experience, with no economics and statistics background, after successful completion of Bridging Course for the Program.
A fluent knowledge of spoken and written English, a standard computer literacy and a working or volunteering experience in cooperation and development field is a value added.

SCHOLARSHIPS
Scholarships are provided to selected students, according to specific criteria and to the budget available.
